

# How to Give a Testimony

## Church/coffee house

1. Introduce yourself  
Name, major, hobbies.
2. Compliment country  
Find something you like about the country or people and mention it...people love to hear why you think their country is cool
3. Share what your life was like before God
4. Share about meeting God
5. Share how it has been different.

## Mexico---in the schools

Same as above, but don't mention God. You can talk about a higher purpose in life or Someone greater. The theme in the schools is "Live the Life"—staying away from drugs, alcohol, abstaining from sex until marriage, etc.

Have Testimony Written Out.

Should be able to tell in 3-5 minutes.

Will have to present in next meeting.
